Other parking options are listed below.

### Westbound from I-90:

Take the I-5/Madison Street exit. If you wish to park at the Convention Center, follow the signs directing you there. If you wish to park in the Union Square garage complex, turn left onto either Madison St. or Seneca Street, crossover I-5 and turn right onto 6<sup>th</sup> Ave. Follow the northbound I-5 directions to the parking garage.

### Parking:

The garage entrance for the Union Square complex is located underneath the buildings on 7<sup>th</sup> Ave. and can be accessed either from University St. or from Pike St.. There are nearby parking options, including the Hilton Hotel (located at 6<sup>th</sup> and University), Washington State Convention Center and Freeway Parking Garage (both located between Pike and Seneca).

### Wheelchair access from the Union Square Garage:

Permitted Parking is available next to the **West Elevators**. (note that the East Elevators access the Two Union Square Building). Take the west elevator to the Lobby floor. As you exit the elevator, look for the signs around the corner toward the mail area, where you'll find an elevator for access to all One Union Square floors.
