Directions to WAMS Tacoma

2602 N. Proctor Street
Proctor Square Suite 201
Tacoma, WA 98407
(253) 627-3656

From I-5:

Take the City Center exit (#133), the exit for I-705N, known as the Schuster Parkway. Follow closely the overhead signs for I-705 Schuster Parkway, which will exit to the right just past the Tacoma Dome and after the ramp for 509/21st Street.

Continue following the Schuster Parkway signs and watch for the road to fork, with the left lane continuing as the Schuster Parkway and the right lane exiting to Stadium Way. Remain in the Schuster Parkway lane at all times. The road will curve down toward the waterfront and fork again, with the two options being Ruston Way/Waterfront or N. 30th St./Old Town. Follow the N. 30th St./Old Town fork, which is the right lane of traffic. You will come into the Old Town area of Tacoma on N. 30th Street. Continue eastbound on N. 30th Street, through the McCarver Street intersection (and past the old Tacoma WAMS office) to Proctor Street, which will be the next traffic controlled intersection. Turn left onto Proctor Street and continue to the intersection with N. 26th Street.

The WAMS office is located on the 2nd floor of Proctor Square, the building on the NW corner of the Proctor Street/N. 26th Street intersection (look for Starbucks on the ground floor of Proctor Square).

From Hwy 16:

Take the Union Ave. exit and follow Union northbound, continuing through the commercial and residential intersections with S. 23rd, S.19th, S.12th, 6th, N. 21st and N. 26th Streets. Turn left at the N. 26th Street traffic intersection and continue to the intersection of N. 26th Street and N. Proctor Street. You will see Proctor Square on the NW corner of that intersection (look for Starbucks on the ground floor of Proctor Square).

Parking:

A limited amount of free parking is available in the Proctor Square parking lot. Ample free parking can be found within one block of Proctor Square, either on N. 25th or Adams Streets. A free public lot is located off of N. 25th Street across from Safeway.
